Danny
Can you tell if the furniture budget is the most up-to-date?

The AV budget has furniture, shall it all be combined under furniture or is Perkins and Will only handling most of the furniture?

Phil,
This is the Excel file of the Furniture Budget that we can provide at this point.

Subject: Furniture Budget Update

Please find attached the updated furniture budget. We did adjust some quantities, most notably the number of small offices. We have broken out the totals per phase for your use.
